The screenshot displays the MottuFlow Teams interface. The top navigation bar includes a search bar and various utility icons. The left sidebar contains a list of navigation items: Overview, Search, Work items, Boards, Settings, Analytics, Overview Flow, Analytics items, News, Dashboard, Test Plans, and Attachments. The main content area is titled 'MottuFlow Teams' and features a Kanban board with four columns: 'New', 'Approved', 'Completed', and 'Done'. The 'Approved' and 'Completed' columns contain task cards. Each card includes a task ID (e.g., T1, T2, T3), a title, a status (e.g., 'Approved', 'Completed'), and an assignee (e.g., 'John Robert Brown', 'John Robert Brown'). The 'New' column is currently empty. The 'Done' column is also empty. The board is titled 'MottuFlow Teams' and includes a 'View as backlog' link in the top right corner.
